DATE MAILED: 07/14/2005

Please find below and/or attached an Office communication concerning this application or proceeding.

1. The reply filed on April 25, 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

The specification has not been clarified as objected to in the previous office action. Specifically, it is not clear what "patent document 1" (page 3) and "patent document 2" (page 4) are. It is further unclear whether applicant is arguing that a word processor has reduced multiple words, on the cited lines, into a single word since such a single word is grammatically incorrect.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ian J. Lobo whose telephone number is (571) 272-6974. The examiner can normally be reached on Monday - Friday, 6:30 - 3:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thomas H. Tarcza can be reached on (571) 272-6979. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
